Wilmington, DE 19803

Re: Request for Information Pursuant to Section 104 of  
CERCLA and Section 3007 of RCRA for the Delaware Sand and  
Gravel Site.

Dear Mr. Trent:

The United States Environmental Protection Agency (EPA) is currently investigating the source, extent and nature of the release or threatened release of hazardous substances, pollutants or contaminants, or hazardous wastes on or about the Delaware Sand and Gravel Site in New Castle County, Delaware (the "Site"). This investigation requires inquiry into the identification, nature, and quantity of materials that transported to, the Site and the nature or extent of a release of contaminants at or from the site. EPA also is seeking information relating to the ability of a person to pay for or to perform a cleanup of the Site. Your company is requested to furnish all information and documents in its possession, custody or control, or the possession, custody or control of any of its officers, employees or agents which concern, refer or relate to hazardous substance as defined by Section 101(14) of the Comprehensive Environmental Response, Compensation and Liability Act (CERCLA), 42 U.S.C. Section 9601(14), which were transported to, stored or disposed of at the Delaware Sand and Gravel Site.

The Site was operated by Joseph and Vincent Dell Aversano as the Delaware Sand and Gravel Company. EPA has information that Rollins hauled hazardous substances which were disposed of at the Delaware Sand and Gravel Site.

AR200815

Pursuant to the authority of Section 104 of CERCLA, the Administrator of the Environmental Protection Agency has the authority to require any person who generates, stores, treats, transports, disposes of, or otherwise handles or has handled hazardous wastes or substances, to furnish information related to such wastes and/or substances, 42 U.S.C. Section 9604, as amended, and Section 3007 of the Resource Conservation and Recovery Act (RCRA), 42 U.S.C. Section 6927. You are hereby required to answer the following questions, and to provide all documents in your possession relating to the following:

EPA has information indicating that Rollins Purle, a subsidiary of Rollins Environmental Services, transported wastes from several companies which may have sent waste to the Delaware Sand and Gravel Landfill.

Your response should reference the 1962 - 1977 time frame and should include, but not be limited to information and documentation concerning:

1. The dates that Rollins Purle transported wastes from the General Motors, Wilmington, DE facility;
  - a. the state (i.e. liquid, solid, or gaseous) of the substances transported by Rollins-Purle and the manner in which the substances were transported (i.e. drummed, in dumpsters or in other types of containers) hauled by roll-off or stake-body trucks;
  - b. the types and quantities of the wastes;
  - c. if the wastes were transported to the Delaware Sand and Gravel Landfill, provide the chemical composition of the wastes;
2. The dates that Rollins Purle transported wastes from the Harvey and Knotts property in Newport, DE;
  - a. the name and address of the company which generated the substances transported from the Harvey and Knotts property;
  - b. the state (i.e. liquid, solid, or gaseous) of the substances transported by Rollins Purle and the manner in which the substances were transported (i.e. drummed, in dumpsters or in other types of containers);
  - c. the types, quantities and chemical composition of the wastes transported by Rollins Purle;
3. The identity of those individuals from your company who

AR200816

were drivers at each of the above named facilities at the time the wastes were transported;

ORIGINAL  
(Ked)

- a. include the last known whereabouts of those who have left your employment through retirement or separation;
- b. current positions of those still employed by your company;
- c. identify those parties who assisted in putting this response together;

4. If information or documentation regarding the above questions is not available, provide the identity and current address and telephone number of any person who has information relating to these matters.

Compliance with this Information Request is mandatory. Failure to respond fully and truthfully to each and every Information Request within seven (7) days of receipt of this letter, or to adequately to justify such failure to respond, can result in enforcement action by EPA pursuant to Section 104(e) of CERCLA, as amended, and/or Section 3008 of RCRA. Each of these statutes permits EPA to seek the imposition of penalties of up to twenty-five thousand dollars (\$25,000) for each day of continued non-compliance. Please be further advised that provision of false, fictitious, or fraudulent statements or representations may subject you to criminal penalties under 18 U.S.C. Section 1001 or Section 3008(d) of RCRA.

This Information Request is not subject to the approval requirements of the Paperwork Reduction Act of 1980, 44 U.S.C. 3501, et seq.

Your response to this Information Request should be mailed to:

Terry Stilman  
U.S. Environmental Protection Agency, Region III  
SARA Special Sites Section (3HW17)  
841 Chestnut Building  
Philadelphia, PA 19107

Due to the seriousness of the problem at the Site and the legal ramifications of your failure to respond properly, EPA strongly encourages you to give this matter your immediate attention and to respond to this Information Request within the time specified above. If you have any legal or technical questions relating to this Information Request, you may consult with the EPA prior to the time specified above.

AR200817

Please direct legal questions to Ms. Karen Kellen of the Office of Regional Counsel at (215) 597-5499. Technical questions should be directed to Mr. Terry Stilman at the above address, or at (215) 597-0984.
